No 613 Tinnevelly District.
Deputy Commissioner's Office.
Tinnevelly 3rd February 1891.

To
The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to acknowledge the receipt of your docket No 838 of the 8th Ultimo forwarding for full report the petition of Chemabacamiah of Rayavara Village in the Gubbi Taluk, and in reply beg to state as follows.

2. In the petition the petitioner says that because the Railway Department made cuttings, therefore he could not go to his lands to cultivate them and prays on this ground that the arrears of

Kandayam

Kandyan due on such lands amounting to Rupees 4a— [illegible] may be remitted.

3. Similar petitions having been made to the Kachcheri Office and this inquiry was instituted. It was reported that the holders of the lands adjoining those of the petitioner had filled up the ditch, cultivated their lands and paid up the Tandalum thereon, and that the petitioners lands lay waste owing to his own fault. It was further reported that the cutting was bridged up shortly.

4. As the adjoining lands were cultivated and the Tandalum thereon paid, the then Deputy Commissioner Mr. Gress decided

decided that there was no
ground to grant remission to
the petitioner

5. It is upon that order that
the petitioner now appeals to
Government. In the appeal pe-
tition the petitioner says that
he filled up the cutting as his
cost. The similar report that
this is false, but that the
cuttings were filled up by the
adjoining ryots and others to
enable them to go to their lands
and take their cattle for
grazing &c.

6. The appeal petition is here
in enclosed.

I have the honor to be

ABSTRACT.

Petitioner's Lands lay uncultivated in the years Sarwajit (87-88) and Sarwadhari (88-89) in consequence of some cuttings made in its neighbourhood by the Railway Dept preventing access thereto; He begged for remission of arrears of assessment for these two years amounting to Rs 18 odd. He has now been informed that the Govt have as a favor remitted only for the Cowdagem due for one year and directed the recovery of the remainder.

The

Chief Sec

This man again before us. The only point newly urged is that a bridge (unlike other Cases) had the Railway in the Cutting in his land. If this be so, the Cutting must have been usually deep - and what DC says about filling up the Cutting by right &c. in para 5 of his report - can't be accepted without further Enquiry & more definite information as to what the particular work was that the Railway did & what Petr means by Engineer building a bridge - Has any sort of compensation been paid to Petr for his land taken up & when - If not why & when - You may be able to ascertain facts from Petr himself, when I have not heard in person -

31-7-91

Petr has returned to B'lore - let a copy of Commr's remarks be sent to Petr with the final order & Commr's remarks as to the Railway Cutting

The Reeves of the neighbourhood paid up their Landgavel as they had clear passage to their lands through Sa Carbatte which enabled them to go and cultivate their lands.

In the case of the Peter the Smilder reported that he suffered his lands to lie ~~waste~~ uncultivated as he is a traveller and so he is himself to blame in the matter; whereas the fact is that the lands lay waste during the said two years from a cause beyond his control viz the cuttings referred to and by the time the Engineering dept had bridged them up the season for cultivation was over; So, Peters lands were obliged to lie waste.

Beg that orders may issue for remission of the arrears due for the said years.

Received

Enclosures No. 2

General No.
No. 743.

Hon. Secretary for Lands:
Sir: I have the honor to forward
Reports on petition
of Francis Cain and
others of the Parish of
Village in the Parish
Sandy —:

I have &c.

Peter Gorman

R 14-5-91-7

The petitioner claims full compensation
of assessment on his land for
two years - Severe storm & Sterbe-
- there on account of the
88-9 Cutting made by the Rail-
-way Dept. which prevents
him ploughing to his land.
The Petn alleges that
a bridge had to be built
over the Cutting. This
allegation called for
further enquiry.
The Depositions now
forwarded -
(1) The petitioner has obtained
half remission from year
(vide Govt order dated 9th
May 1891, No 2243) this
was granted as a matter
of favour.
(2) The Cutting & the bridge
referred to are not on Petrs
land. The Cutting is along-
-side the Railway line.
It is not more than a
yard deep & 2 or 3 yds
broad.
(3) The adjoining land
holders managed to
get their fields notwith-
standing the Cutting
(4) The bridge was
built to afford further
P.T.O

facility - but not as a matter of necessity.

(5) Mr. Sanders's Petition dated 5th Nov. 23 was taken up & a Compensation of Rs 1/4 was paid to him.

No: 143.

Tumkur District
Deputy Commissioner's Office
Tumkur 24th July 92

To,

The Chief Secretary to
Government of Mysore

Sir,

I have the honour to acknowledge the receipt of your official memorandum No: 98 of the 21st instant forwarding for report petition of Timmaiah Channabasappa of the Rayadurga Village in the Tumkur District praying for the remission of the assessment on his Cumbi until the Cumbi will be certificated owing to the Railway Department having taken the portion standing on the said lands.

2. The petitioner having originally complained to the Government Commissioner of Mysore the matter was referred to me in this Office Endt No: 6 of the 7th instant

1891

13a. to the effect that the said Deputy Commissioner did not decide that the petitioner was not entitled to any remission in respect of the adjoining land for which the entry registered to Gurtiarsh Singh was made and refused the Kandayan Chiefs.

3. Petitioner filed on 13/12/22 the 7th day of May 23 a counter statement to the effect that the petitioner was not entitled to the remission claimed but that as such may be the assessment thereon might be remitted for one year or a term.

4. This did not satisfy the petitioner and he therefore again petitioned the Government. Upon that you in your Demi Official letter of the 21st August 23 stated that the petition was again before the Dewan

Division and Deputy Commissioners for the Recovery of Land Revenue and Settlement Officers Granting Certificates orders.

5. On the Docket now issued to the Collectors and Deputy Commissioners there will be a column headed Land Revenue Certificate No. and Date. Under this heading the number and date of the certificate granted in each case will be entered. If no certificate is granted the word "None" will be entered. If a certificate is granted but is subsequently withdrawn the word "Withdrawn" will be entered.

6. Applications for Land Revenue Certificates should be addressed to the Collector of the District in which the land is situated. The Collector is responsible that the Railway Line does not cross a road at a level less than 16 feet above road level. He should not grant a certificate for the construction of a road unless he is satisfied that the proposed road will not interfere with the Railway line. The application should therefore be examined to see that the proposed road will not cross the Railway line at a level less than 16 feet above road level. He should also satisfy himself that the road will not interfere with the Railway line in any other way. He should also satisfy himself that the road will not interfere with the Railway line in any other way. He should also satisfy himself that the road will not interfere with the Railway line in any other way

decided that the petitioner also could have sue to said that his land lay waste through his own fault. I am of the same opinion. He might consulted to use put up by the Executive Engineer to afford greater facility but not because it was actually necessary to pass over the cutting.

7. Enquiry has been made if any portion of the petitioner's land was taken up and if compensation was paid therefor. In regard to this I beg to state that a small area of 5 cents was taken out of his holding field C.S. No 3 and a compensation of R-A.-P. 4-4-0 paid therefor and the proportionate assessment of 4 annas remitted.

8. The enclosures of the memorandum under reply are herewith returned.

13/7

No: 24.

Deputy Commissioner's Office
Tumkur District
Dated 8th July 1893.

To

The Chief Secretary
to the Government of Mysore.

Sir,

I have the honor to acknowledge the receipt of your official Memo No: 377 dated 8th June 1893 requesting the postponement of the sale of two lands, belonging to [illegible] Channasagara of Nagawara in the Gubbi Taluk, and calling for a report on his claim to compensation for loss of crops; and in reply to report as follows.

2. The petitioner claimed remission of assessment on his lands amounting to Rs 49/- on the ground that they have waste in 1887/88 & 1888/89 owing to a cutting made by the Railway Department across the way leading to them.

3. The then deputy Commissioner Mr Greeson investigating the matter thought that the petitioner was not entitled to any remission in as much as the cutting was not a deep one and the adjoining ryots had managed

to go to their lands cultivate them & pay the Kandagam thereon.

4. The petitioner appealed thereon to Government. & called for a report in the matter. A report to the above effect was submitted in this office letter No: 6.3 of the 3rd Nov. 98. Thereupon the Government in order No: 22-3/15 of the 19th may 99. decided that the petitioner was not entitled to the remission claimed by him, but as a matter of favor remitted a moiety of the assessment for one of the 2 years referred to.

5. This was done and coercive measures were adopted for the recovery of the balance.

6. The petitioner again appealed to Government for further concession. Upon this further report was called for in your Memo No: 98 of the 2nd June 1902. The case was fully set out in this office letter No: 43 of the 12th July 1902 to the effect that the petitioner's lands lay waste owing to his own fault and that the cutting made by the railway department has not deprived nor has it a hinderance to the other ryots who carried on cultivation as usual and paid their Kandaya

In reply the Government Order No. 1308 of 91 of the 26th July 1892 granted a further remission of the moiety of the second year's assessment also.

7. That was done and measures were adopted for the recovery of the balance.

8. See correspondence for further concessions and warrants to the value of the Kandayam for the said two years to be remitted.

9. Ordered the coercive measures have been stayed.

10. The enclosures of the memorandum reply are herewith submitted.
